Dear Dick:

Thanks for the Eddie Bauer playing cards and case -- ever at the ready in my attache case in the event a gin rummy (I'll explain it to you someday) game is lurking.

Also, thanks for Neil Leifer's Sports Stars book. Haven't had a chance to go through it yet.

I hope you have had a good Christmas and that 1986 brings you many less swings at the ball than 1985 allowed. (You must be exhausted.)

Your Christmas Party was terrific -- everyone enjoyed it: the planetarium, Danon's, star registration and, of course, the monster plaque - firewall. It sits next to the Time grandfather clock.

Hoya Kunga.
